TODAY is our 1st Annual Missions & Ministry Fair

Sign up to Serve! See what God is doing across the street and around the world. Thanks to **Steve and April Mather** for coordinating the info in the foyer.

Local Mission Connections...a few highlights:

FMC Community Family Fun Night – 3rd Wednesdays of each month here at FMC. Outside in the summer, inside in the winter. Food for all, games for kids, Kid's Club and Adult Bible Study. Serving, Living, and loving the community together in Jesus Christ. Contact **Karen Speight** to sign up to serve!

Bedford Heights City Fresh Stop - How can we serve local, fresh food to our neighborhood? We'll be connecting with other community churches and clubs to help us kick this off, slated to begin this spring, 2012. It's a justice issue. See the passionate **April Mather** for more info.

Family Promise of Cleveland (formerly IHN) – Quarterly our church has the opportunity to set up beds, cook meals, plan activities for homeless families in Cleveland. Contact **Dean Burden** with questions.

FMC International Mission Connections:

The People of Peru – **Sheri Banks** has committed her life to serving the people of Peru. Part of the year she and her husband **Gary Banks** live in Peru, travelling, serving, translating and making connections for people of faith. She is active with the Mennonite Brethren Church in Lima and continues to serve as our FMC International Missions Coordinator, even from Peru. Pray for Sheri and Gary as they just flew to Peru October 31st.

Eastern European Missions - Please pray for sister **G** in Eastern Europe as she continues to author books, travel, and speak the truth of Jesus to church groups, youth conferences and orphanages. Pray also for her health as she battles on-going concerns. Gizella moved to Hungary in July, after living and serving here at FMC for many years.

Goba Meserete Kiristos Church in Ethiopia – **Abiti Murra**, of our congregation, helped to plant this church many years ago. She was able to visit them last year when she did a year internship abroad in her home country. The church building is only half completed, but they are happy that they have a church to worship The Lord.
